SUMMARY

Experienced WordPress Developer and Designer, operating as a Freelancer for 2 years with a specialization in tailoring web applications to client specifications. Proficient in all aspects of web development, from conceptualization and design to functional implementation. Specialized in crafting responsive WordPress websites to enhance user experience and client engagement. Demonstrated track record of successfully delivering custom web solutions through comprehensive design, development, testing, and deployment processes, consistently ensuring client satisfaction and project success.

EXPERIENCE

SUTIERUS TECHNOLOGIES INC.

WORD PRESS DEVELOPER

FEB 2022 – MAY 2023

- Joined Suiterus Technologies Inc. as an intern in February 2022, initiating career journey in web development.
- Successfully managed diverse projects encompassing custom websites ranging from static designs to complex ecommerce applications.
- Demonstrated proficiency during provisional stage by independently creating custom websites and integrating various plugins to fulfill client specifications and ensure satisfaction.
- Earned promotion to a regular employee at Suiterus Technologies Inc. based on performance-driven results and consistent delivery of high-quality outputs for assigned web application projects.
- Spearheaded the design and development of static and ecommerce websites for a diverse clientele, showcasing adeptness in meeting client requirements and delivering impactful digital solutions.

AUTUMN GLOBAL OUTSOURCING INC.

LEAD WORD PRESS DEVELOPER

MAY 2023 – Present 2024

- Promoted by the CEO to a managerial role within Autumn Global Outsourcing Inc. in May 2023.
- Entrusted with the responsibility of overseeing and prioritizing private client management initiatives.
- Appointed as the Lead WordPress Developer, tasked with the creation and maintenance of bespoke websites for private clients, while also providing guidance and support to colleagues.
- Served as an Internship Instructor for aspiring developer students, imparting knowledge and expertise in WordPress development.
- Facilitated training sessions for Company Interns seeking to expand their skills and understanding of WordPress, achieving personal fulfillment through the sharing of experience and knowledge.
- Recognized as the Top Dev Contributor during the company's 2023-year end celebration, acknowledging contributions to team success and project excellence.

FREELANCE EXPERIENCE

DESIGNER, DEVELOPER

2023 - 2024

- Led the design and development of a web application aimed at showcasing individuals' talents, facilitating talent discovery for Eureka Media Canada.
- Established an online presence by creating a static website for Canada Glass Industries Inc., a leading manufacturer and supplier of insulated glass in British Columbia, Canada.
- Crafted a professional website to enhance the online identity of JJ Glass Services Inc., a trusted window repair service with over 7 years of industry experience.
- Implemented a user-friendly booking platform for MF8 Realty, enabling prospective homebuyers to find their ideal home with ease.
- Designed and launched a static website for MCR Realty, specializing in real estate sales and helping clients find their dream homes.
- Developed a user interface design for Chibi Prints, a versatile printing service offering customization options for various products including T-shirts, mugs, and tote bags.
